## Surface finishing sanding

### OD 100-2

**Order no. 379.042****Delta sander**

- Ergonomically designed, handy grip cover with soft grip insert ensures a secure grip and good guidance
- Small and particularly light one-handed unit with excellent ergonomics and special balancing for low-vibration operation to make work effortless and reduce the stress on joints of the user
- Integrated dust extraction and reliable disposal of the sanding dust using large volume filter bag made of tear-resistant paper. The filter bag is protected by an impact-resistant plastic cassette case
- Possible to connect external dust extraction
- Long service life backing plate made of special tough material
- Especially for sanding on corners and edges
- Especially suitable for overhead work
